IMPORTANT INFORMATION

Unfortunately no food will be allowed onto the property (we offer delicious food on our menus here at De Kraal). If you decide to bring your own drinks along, please note that our **corkage fee** amounts to **R150 per bottle of wine & R300 per bottle of spirits**. If you would like to bring your own cake, the requirement will be for your guests to spend at least R200 per head at the restaurant. If this amount is not spent we do require a **cakeage fee** of **R350**.

Decor: Please note that we strictly **do not allow confetti or glitter** of any kind on the premises including inside balloons. Pierneef's Kraal Management will remove any restricted items if a client is not compliant with these regulations. If guests bring their own decor for their event, we expect that all decor should be removed on the day of the event.

We are not dog friendly. We do however have our own dogs on the premises roaming around freely. Under no requests of guests will any of the **Pierneef's Kraal dogs** be locked away, seeing as they are the heart of the property and are loved dearly by our guests. Keep this in mind when booking your event with us. Please also refrain from feeding the dogs.

Walking in our **garden beds** is strictly prohibited. We also do not allow the picking and damaging of our flowers and plants. A R500 fine can be expected when guests do not comply with this rule.

A **50% non-refundable deposit** must be made in order to **secure your booking** with us for the day. If your function is cancelled for any reason (including rain weather), you have the choice to reschedule (depending on availability) although no refunds will be issued.

No music is permitted, including live music and speakers.

No glass or crockery is allowed on the lawn. We will supply you with cornstarch, plastic, paper or wooden crockery & cutlery. Just a friendly reminder : if you would like to bring your own cake to the picnic, remember to bring your own paper plates & forks along !

We charge a **venue fee of R1500 for tables booked for more than 12 guests**.

Please note that we do not host evening functions nor do we host weddings. You are welcome to email us with your requests and management will be contacted with your query (You will be assisted during office hours from Wednesday to Sunday).
